

NEWSLETTER

WELCOME to our new members that joined us during our Seedy Sunday event, and a big **THANK YOU** to our returning members.

It has been quite the stressful last two years, with opening, then closing and finally being open hopefully with no further closures.

I will start with the current PHO announcement regarding masking and other safety procedures at the Centre.

We have dropped the masking inside the Centre, however, if you feel comfortable with wearing a mask, by all means continue wearing one. We will still have the hand sanitizers and sign in sheet when you enter by the back door.

As before, if you feel ill, are sneezing, or any other symptoms please do not enter the Centre.

We appreciate your support during this stressful time, because with out your support, and patience we could not manage to stay open.

This will be a short newsletter to give you all an Update on what is happening at the Centre and upcoming events. As most of you know, we had a very successful Seedy Sunday. I think probably our most busiest one and well attended.

Our next event is our **Open House and tour** of the facility, **March 26, 1pm to 3 pm**. The Quilters will be in Room 18, and the Art group in Room 16. Refreshments will be served in the Auditorium. Please take a minute or two to chat with the groups and see what they have accomplished in the last year.

Our **Spring Market is scheduled for Saturday, April 30 from 10 am to 2 pm**. An Ad will be placed on our Facebook page, and will be sending out information letters and application forms to those who have inquired.

Depending on the next announcement from the PHO, we will continue to schedule events during the year.

THANK YOU AGAIN for your continued support of the Community Centre.
