Spring/Summer 2022

After a very wobbly start of the year, with rain, snow, wind, we finally have nice warm weather just in time for planting gardens and flower beds. Let us hope this is a beginning of continued pleasant weather so we can spend more time outside.

This is a short newsletter to bring everyone up to date on the Centre's Covid Plan and future events.

Covid Plan. Masks are no longer mandatory, but if anybody still wishes to wear one, please do. Those that are using the rooms, please continue to sign in and out, use hand sanitizers, take all equipment home, tidy up the room, and to sanitize all surfaces that have been used before leaving. Please keep to your dates and times, and if for any reason you are unable to make your allotted time, please phone and let us know. The Society still needs to sanitize after every use.
Thanks everyone. Your cooperation in keeping the Centre sanitized and clean is a significant help to us.

The Society would also like to **Thank returning members** and extend a big **WELCOME** to our new members, which signed up at our **Open House, Seedy Sunday, Spring Market**. We appreciate your support. Without it we would not be able to continue. Your yearly dues help to renovate and improve the Centre.

The winner at our Spring Market door prize for new members was Steen Hjort of Saltair. His hanging basket was delivered to him the next day. Steen was also a first-time vendor at our Market with his beautiful handmade bowls.

UPCOMING EVENTS:

June 2, 2022, CVRD Public Meeting. Auditorium. 3pm – 7 pm
Coastal Bank Assessment. Refreshments will be served.

September 24, 2022, Saltair Community Society will be hosting an All-Candidates Forum.
