

## **Saltair Community Newsletter – May 2025 Edition**

Hello Saltair friends and neighbors,

We are excited to share some updates and highlights from around our vibrant community!

### **Saltair Hosts Election Polling Station**

We were proud to serve as a polling station for the recent 2025 Federal election. With a Record breaking turn out it was fantastic to see so many local communities exercise their right to vote.

### **Seedy Saturday a Blooming Success!**

Thank you to everyone who came out to support and enjoy our **6<sup>th</sup> Seedy Saturday** event. With local vendors, and a strong turnout from green thumbs across the region, the day was a true celebration of community and sustainability. We even made the front page of the Chemainus Valley Courier! Special thanks to all the volunteers who helped make the day run smoothly! Hope to see all again in March 2026!

### **Fresh New Look at the Saltair Centre**

If you have not stopped by recently, you will want to check out the beautiful **new flooring and fresh paint** in Room 19 at the Saltair Centre. Room 17 and Room 16 also received much-needed new window blinds. The upgrades bring a refreshed, modern look to our beloved gathering space and will better support the many programs and events held here each week.
